Invitation to Quote for Installation of Outdoor Fitness Equipment at Nesscliffe

1.0 Preliminaries

1.1 Quotes are invited for the installation of outdoor fitness equipment at Nesscliffe playing field, as detailed in the specification below. The following is an invitation to tender for the respective subcontract works/package regarding the referenced site.

1.2 This contract is governed by the Public Contracts Regulations 2015.

1.3 Please refer to the 'site information' section of this tender for the background information for the site.

1.4 As a guide, we are looking to spend circa £10,000 on this project.

1.5 All prices to be net, excluding VAT.

1.6 Please register your intention to submit a quote by sending an email to parishclerkgnln@gmail.com, to include all contact details. This will enable us to inform you of any alterations or additions to the specification.

1.7 Please supply copies of any relevant accreditations.

1.8 All interested companies will be required to complete the Quotation Questionnaire. Failure to complete all necessary paperwork will result in your quote being excluded from the process.

1.9 The parish council reserves the right not to appoint any contractor.

1.10 A timescale for commencing this project will be agreed between Great Ness and Little Ness Parish Council and the chosen contractor following the award of the contract. Ideally, this install will not take place during school holidays, unless this is agreed between the two parties. School holiday timetable can be found at <https://shropshire.gov.uk/schools-and-education/schools-and-term-dates/term-time-and-holiday-dates/>

1.11 The parish council is also separately inviting tenders for new play equipment at the playing field. Interested parties can also submit a tender for this, but this must be done separate to your quote for the outdoor fitness equipment.

2.0 Objectives

2.1 The objectives of this scheme are to

- Install outdoor fitness equipment and safety surfacing. The equipment should work a range of body areas
- Facilitate disabled people in accessing fitness equipment by having some equipment which is accessible to them

Full details of the contract are outlined below

3.0 Site Information

The site is Nesscliffe Playing Field, Hopton Lane, Nesscliffe, SY4 1DB

3.2 The site is accessed both off The Crescent, Stonehouse Close and Hopton Lane on foot. Vehicular access is via the garages and access track, off The Crescent.

IMPORTANT: A site visit is essential to assess access, gain detailed measurements and location of nearby properties.

3.3 Currently the area identified for outdoor fitness equipment is on the play area access track. A third-party contractor will re-align the fencing to mean the outdoor fitness area will be within the playing field. Please refer to the map at Appendix 1.

4.0 General Scope of Contract

To supply and install outdoor fitness equipment and associated safety surfacing and signage.

5.0 Safety Standards

All equipment will need to comply with BS EN 16630. Safety surfacing must comply with BS EN 1176 and BS EN 1177. Safety signage must be provided to current Safety Standards.

4.0 Preparation and Groundworks

4.1 Considerable care must be taken not to inconvenience nearby residents or block roadways, footpaths and the school pick-up/drop-off parking whilst works are taking place. All excess materials, spoil, and surfacing from excavations must be disposed of at a licensed tip at the contractor's cost.

4.2 The contractor must provide skips when required and secure all skips behind Heras security fencing when unattended to avoid fly tipping.

4.3 Please include a price within the quotation for any necessary grass, tarmac and kerb reinstatement works that may be required following completion of works.

4.4 Ownership, liability and responsibility for insurance of the equipment and installation works will lie with the contractor until a satisfactory Post Installation Report has been accepted by Great Ness and Little Ness Parish Council. This will be confirmed in writing on the day of the handover of the site and signed by the council's representative and the contractor.

4.5 Storage of new equipment, machinery and equipment, etc. will be the responsibility of the contractor.

5.0 Design, Supply and Installation

5.1 Supply and install outdoor fitness equipment and safety surfacing suitable for older young people and adults, including those with disabilities. You will be required to show how your chosen equipment accommodates these requirements and how it provides a comprehensive exercise opportunity.

5.2 The successful tenderer will need to show the value of their design and how it addresses the requirement for resistance to issues relating to anti-social behaviour and low maintenance.

5.3 We are looking for a minimum of 5 pieces of equipment and safety surfacing.

5.4 Our preference is for equipment to be predominantly constructed from steel. The metal must be pre-treated for rust proofing with a minimum 5-year guarantee.

5.5 Supply and install Great Ness & Little Ness Parish Council branded sign with posts and fixings - proof to be agreed with the parish council. To include required safety signage.

6.0 Heras Fencing

The area must be contained within security fencing – heras double-clipped temporary security fencing or similar, supplied by the contractor, whilst work is in progress and heras temporary security fencing should remain in place until a satisfactory RoSPA Post Installation Inspection and Report has been completed and submitted to the parish council.

7.0 Reinstatements

The contractor will be responsible for reinstatement of any damage caused to the interior and exterior of the playing field, access track or the surrounding open space, pathways, fencing, kerbing, signs, street furniture and private land/property resulting from installation works or deliveries. The contractor will carry out all reinstatement works in accordance with good landscape practices.

8.0 RoSPA Post-Installation Report

Supply a RoSPA Post Installation Report – any failures/problems to be rectified at contractor's own cost. (See Payment)

9.0 Health and Safety Requirements

The successful contractor will need to show the following.

- A copy of your certificate of public liability insurance must also be submitted along with your submission.
- A copy of your company's Health and Safety Policy must be submitted along with your submission.
- A copy of your company's certification for any professional/industry bodies.
- A Risk Assessment for the project

A project co-ordinator or single point of contact must be nominated by the successful tenderer whom should be readily contactable to deal with any queries and problems that may

arise. This point of contact must be available from the date the contract is awarded until satisfactory completion of the project.

10.0 Timescales

10.1 Quotation Timescale
